

HOW YOU CAN HELP

Unaffected Residents Can Donate Resources to Support Wildfire Victims

Volunteer your time

- 2-1-1 needs volunteers to work four hour shifts taking calls and filling other roles as needed. E-mail Meg Storer at mstorer@211sandiego.org with your name, phone number, e-mail address, and your availability within the next 72 hours. A 2-1-1 representative will then contact you directly.

Donate food, goods and personal items

- Non-perishable food items, as well as shelter supplies, can be dropped off at the San Diego Food Bank at 9850 Distribution Avenue, San Diego, 92121 between I-15 and I-805. For more information, contact the Food Bank at 858-527-1419.
- Non-perishable food items can be dropped off to the Salvation Army at 1011 East Main Street in El Cajon, 92021. A second drop-off location is at 1301 Las Villas Way, Escondido, 92026.
- The following items can be dropped off at Gate P at Qualcomm Stadium: prepared foods, water, tents, cots, blankets, personal hygiene supplies, and dust masks. For more information, please contact Goodwill Industries at (888) 446-6294. Please do not deliver supplies or food directly to Goodwill.

Donors are asked to make their donations quickly and to return directly home in order to keep roadways clear for evacuation routes and emergency crews.

Donate money

- Make a secure online donation to the American Red Cross at www.sdarc.org/donate. Select option 2 – “San Diego/Imperial Counties Local Disaster Fund” for your donation to support the Harris/Witch Creek fire response operations.
- Make a secure online donation to Volunteer San Diego’s County Wildfire Relief Fund at <http://www.active.com/donate/wildfires07>.
